

2021 AGM President's Report

VE3ECI Greg

Accomplishments

- CRRRA Executive is up-to-speed and meeting quarterly on Zoom
- Fair Financial Outlook - Opportunities for new projects and/or events
- VE3AMN Graham Technical Director transition to VE3HOA Phil
- Significant Upgrades to STP2
- APRS iGate Digi running @ STP2
- New batteries @ STP1 packet

Challenges & Opportunities

- Sustaining Club Member Critical Mass & Vision for Realistic Growth
- STP VHF DMR Repeater Networking & Interoperability Direction
- Ongoing VE3STP VHF FM Repeater Interference
- Organize Video Conferencing for Frequent CRRA Member & Friends Sessions
- Additional Antennas on STP2 Tower for New Projects

Thank You!!!

- VE3AMN Graham - equipment donation, time and expertise:
 - DMR Mixed Mode License
 - Arcom RC210 Repeater Controller
 - Motorola Receiver and Exciter Radios for VE3STP VHF FM
 - to name a few
- VE3HOA Phil - numerous trips up the mountain to tune and tweak:
 - Sourced & Installed a 100W VMF FM PA
- VA3PYC Tim & VE3KAW - Initiated Recorded Interview Sessions With Senior Club Members
- VA3EJT Ed - Engaging Greater Mat Township to raise awareness of the CRRRA and ARES
- VE3PYC Tim - For use of his Zoom account
